

Evidence-based Innovation

Dear Valued Customer

We at Lamelle Research Laboratories hereby declare that all Lamelle Skin Care products manufactured by Lamelle Research Laboratories whether in house or for third party contract manufacture have never been tested on animals.

Lamelle Research Laboratories has never conducted animal testing and has never commissioned any outside organisation to do it on our behalf.

Should you have any queries, please don't hesitate to contact Dr Bradley Wagemaker [Medial Director].

Sincerely,

Suzana Martiradonna
